

Bridges Out of Poverty

You've heard of this training - but what does it do?

Bridges Out of Poverty uses the lens of economic class and provides concrete tools and strategies for a community to prevent, reduce, and alleviate poverty.

This training will:

- help you understand people in poverty, their challenges, and the dynamics that cause and maintain poverty from the individual to the systemic level
- bring people together to begin a conversation on how to improve job retention rates, improve service coordination, build resources, improve outcomes, and support those who are moving out of poverty

When: March 16, 2017

Where: Western Reserve Masonic Community Chapel*
4931 Nettleton Rd, Medina,

Time: Registration 8:00 AM
