

Let Rural Mobility Solutions (RMS) be your ride to work!

- Do you need **safe** and **reliable** transportation to work from **anywhere** in Wayne County?
- Don't want to drive to work in the winter?
- Want to avoid the expense of owning a car?

If you answered “Yes” to any of these, then perhaps Rural Mobility Solutions (RMS) can help!

RMS is a new work transportation program offered by Community Action Wayne/Medina starting December 9, 2019. It is like vanpooling but private transportation providers do the driving.

Transportation to Artiflex, GOJO, Schaeffler, and Speed North America.

Rides are \$8.00 one-way **no matter where you live in Wayne County**, and much more economical than a cab/Lyft ride.

The first **20** days of work trips will be **FREE** for a limited time!

Pick up at your home and taken to work Monday through Friday for first, second and third shifts.

Enroll in the RMS Shuttle Program through the Human Resources Department of Artiflex, GOJO, LuK/Schaeffler, or Speed North America or call Leslie Baus at Community Action Wayne/Medina at 330-202.7847.

You will be scheduled on a route that will get you and your fellow riders to and from work on time!

For more information, contact Leslie Baus at 330-202-7847 or lbaus@cawm.org

Rural Mobility Solutions Program is a partnership led by Community Action Wayne/Medina.
